2. AccessAbility

\$200 000

Increase autonomy, self-confidence and equal opportunities by installing automatic doors (ie. library and washrooms) and acquiring adaptive desks and lockers. The Foundation also wishes to raise funds to increase academic support for students with disabilities which may include learning disabilities, mobility, medical and mental health issues.

3. TEACHING TECHNOLOGIES AND EQUIPMENT

\$300 000

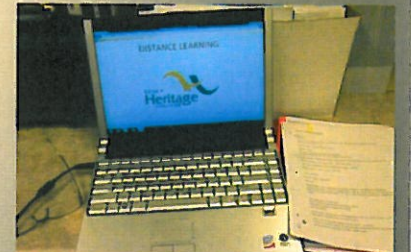

The Foundation wishes to invest in areas that encourage student creativity, collaboration, goal setting, problem solving and communication skills while assisting the College in providing a safe and stimulating learning environment. Areas earmarked for **urgent** investments are:

- Rugby/soccer field drainage and crowning, multi-surface exterior classroom, fitness center weights, snowshoes, skis;
- Auditorium digital audio/visual, projector, screen and lighting;
- Distance learning and nursing simulation lab equipment.

Building a LEGACY of Support, Assistance and Encouragement for OUR Students

Education received at Heritage exceeds the acquisition of theoretical knowledge. Our College encourages participation in student life and community involvement. Many teachers act as guides and mentors in activities which involve social action, sustainable development and humanitarian efforts.

You are invited to **invest in our heritage**, invest in educating our youth, invest in keeping our talent in the Outaouais and invest in grooming tomorrow's workforce and leaders.
